ACTION ITEMS

5) Review, discussion, and possible approval of the 2023-2024 proposed school budget, Presented by Mirna Rodriguez

Mrs. Rodriguez reported that generating the proposed 2023-2024 school budget in time to have the GC review and vote on it before the submission deadline of May 4th had been a challenge secondary to not having received form 910B5 from the PED until April 26th. Form 910B5 is required to generate the budget as it provides the school with their State Equalizing Guarantee (SEG). Mrs. Rodriguez, Mrs. Galvan de Lucero, and Justine Vigil worked on the budget from the receipt of the form through yesterday to get the proposed budget ready. However, there was an error on the budget template PED provided and currently LADH is not getting credit for additional instructional days. Mrs. Rodriguez noted that PED changed the calendar template this year and had everyone work through it at the spring budget workshop. It was not until this week that they discovered the error. Mrs. Rodriguez is waiting to hear back from LADH's budget analyst to see if SEG will be revised to include the additional instructional days. Her last attempt at contact was at noon today. Justine Vigil noted that the proposed budget will be submitted on May 4th and if there is an adjustment it will most likely come in the form of a BAR in July. However, she noted that she is not sure how PED will handle the situation.

Justine Vigil provided an overview of the proposed budget:

- The assigned SEG is based on a student enrollment of 66.5 students, which is the average of the 2022-2023 academic year 80th and 120th day counts.
- The SEG is calculated based on student projection; SPED program; bilingual program; fine arts program; and PE. All these programs generate units, which are then multiplied by a given unit value.
- The SEG for the 2023-2024 school year is \$846,331.
- LADH will carryover \$106,000 into the 2023-2023 academic year.
- The SEG is smaller than typical secondary to the complete elimination of the small school size fund.
- Student projection for the 2023-2024 academic year is 75 students. Dalina Matsumoto asked what drives student projection. Mrs. Galvan de Lucero explained that historically LADH has had 120 students enrolled. Student enrollment significantly decreased when the school moved from their Main St. location to their current location. PED requests student projects for the upcoming academic year in October. The projection of 75 students was based on the historical information and the number of students needed for the school to continue to operate. Realistically, and because all carry over monies were used to

balance the budget, student enrollment needs to increase to 100+ to keep the school open.

- The proposed balanced budget includes:
 - State mandated 1% increase in ERB contribution; 6% increase in salary; 6-8% increase in healthcare benefits (for employees making \$60,000+ it is a 60/40 split; for those making \$50,000-\$59,999 a 70/30 split; and for those under \$50,000 an 80/20 split)
- Two teacher vacancies (e.g., science and Spanish) will not be filled in 2023-2024 to make sure LADH presented a balanced budget. Mrs. Galvan de Lucero noted that there are two teachers currently on staff that have those certifications and were willing to teach those classes next year.
- 57% of budget will be going to instructional, slightly below the 65% required by PED. Given the current SEG, this was the best that could be done.

Adrian Gaytan moved to approve the 2023-2024 proposed school budget with the knowledge that LADH could see an increase in its SEG; Dalina Matsumoto seconded

Roll Call Vote:

Adrian Gaytan: yes

Elaine Palma: yes

Nelly Garcia: yes

Dalina Matsumoto: yes

Hilda Paz: yes

None opposed; motion passed

- 6) Review, discussion, and possible approval of the 2023-2024 proposed academic calendar, Presented by Sylvie Galvan de Lucero

Mrs. Galvan de Lucero noted that there might be small changes made secondary to information presented in an email sent from Las Cruces Public Schools (LCPS) on 4.27.23 indicating that “There were some changes in the last legislative session that required Las Cruces Public Schools to make Election Day a holiday, as well as adding a Spring Holiday for students and staff.” However, neither Mrs. Galvan de Lucero nor Mrs. Rodriguez have been able to locate the legislation that required those holidays and the updated 2023-2024 LCPS emailed did not have the changes.

- Start date: July 17 staff; ½ day July 20th for students with July 21st being their first full day
- Final day: May 31st
- New PED requirements are for 1140 instructional hours/180 days in the classroom. LADH exceeds with 1179 instructional hours/181.5 days in the classroom
-

Adrian Gaytan moved to approved the proposed 2023-2024 academic calendar; Elaine Palma seconded

Roll Call Vote:

Adrian Gaytan: yes
